RE: Skolnik, Martin  
Case no. 4:23CR0119-001  
**Bond Order Correction**

Dear Judge Edison:

Martin Skolnik appeared before Your Honor on March 30, 2023, for an initial appearance and was ordered released on a \$100,000 unsecured bond with conditions of release.

Upon reviewing the bond order, U.S. Probation contacted Case Manager Ruben Castro on May 23, 2023, and requested the conditions ordered be reviewed regarding the defendant's conditions as we believed there was an error on the bond order regarding drug testing. On May 24, 2023, Mr. Castro confirmed condition **7(q) Submit to any testing required by U.S. Pretrial to determine the using of a prohibited substance was not ordered**. A request to correct the bond order was made.

**Recommendation:**

As of this date, the bond order remains with condition 7(q) applied. U.S. Probation is respectfully requesting condition 7(q) be removed from the defendant's supervision conditions effective March 30, 2023, to ensure the defendant has an accurate reflection of the bond conditions that were ordered upon his release.
